

Lifespan Wellness Team
4:00 PM - Tuesday, October 6, 2009
CSC Campus – Burkhiser #226

Minutes

Present: Kim Madsen, Terry Owen, Don King, Ann Dockweiler and Jay Sutcliffe

Brief meeting due to conflicting schedule for many individuals:

1. We discussed the walking route brochures are completed and where we can place them for distribution. Anyone wanting brochures for distribution can contact Ann D. Also on our website: www.chadronwellness.com
2. Terry wanted to provide a final report on the Try-Athlon. He can do this at our November meeting when we have more representation.
3. Discussed a possible swimming pool agreement with the college for community center members to be able to use as we progress with the community center project. Terry will investigate the proper channels of who really makes the decisions for this, etc. at CSC.
4. Don will follow up on the Try-Athlon certificates that were supposed to be reprinted.
5. Next meeting: Tuesday, November 10 @ 4:00 PM - Burkhiser 226.

Respectfully submitted by Jay Sutcliffe
