Jamboree Rules

- * 4 teams will be playing at once- 2 going toward the South endzone and 2 going toward the North
- *Each team will be on offense for 10 minutes and then defense for 10 minutes
- *If the offense scores before their 10 minutes is up- they will be given the ball back on the 45 yard line again until their 10 minutes on offense is up (Offense-please switch up players positions during your 10 minutes of offense)
- *We will start with the ball on the 45 yard line and go toward each endzone (going North and South)
- * there will be no returns on defense- Ex: if defense intercepts a pass; they cannot return it (because both ends of the field are being used)
- *Offense will never start beyond the 45 yard line- even if the defense may stop the offense for a loss
- *Team off, please be ready to go when you are scheduled to play
