## **Old Business**

### **Library Expansion Project**

The Library Planner will be here this Thursday at 6:00 p.m. This is an opportunity to share our desire for a multi-function facility.

### **Equipment**

Four pieces of equipment have arrived on campus. Sarah Thomas will check with the CSC Maintenance Department to see if they will be installing equipment or if we need to see if Job Corp is needed. The vendor (Lee Schneider) will have a phone conference with whoever is going to install the equipment.

The equipment to be placed at Wilson Park is ordered. Job Corp will be installing those three pieces of equipment.

Name plates should be purchased to recognize where the funds came from. We can check with Job Corp to see if they can make the signs. The equipment was provided by the following groups/organizations...

- Blue Cross/Blue Shield
- Mobius
- Chadron State College
- LB 840 – City of Chadron
- Lifespan Wellness Team

Have the walking route map under the plexi glass with the website and locations where maps can be picked up.

Website – walking routes are listed now

## **New Business**

You can also check out the website at [www.cornhuskerstategames.com](http://www.cornhuskerstategames.com). This is the 25<sup>th</sup> anniversary of the Torch Run and there will be a big festivity in the PAC.

The request for proposals from Blue Cross/Blue Shield is due April 1 and you can request up to \$20,000. The deadline is April 1. There will be a proposal drafted on Thursday. The thought is to request funds for the cross country trails at CSC.
